SUGGESTIONS.

Delegates to the Union County Convention are soon to be elected. We wish to say a word of the requisite qualifications of a delegate. Principles, first always; next, party for the sake of clothing principles with power. No delegate should be so anxious to secure the nomination of any man as to make that the first object of his solicitude. A strong ticket, rich in men of worth; solid, true, strong, wise men, is the first object of a county convention. Then locality, individual claims and qualifications. Let no delegate be so stubborn an advocate of any man as to refuse to yield to higher considerations. When the claims of two or more men are to be settled, each being equally good personally and for the party, then other considerations may come in. The circumstances of the race, his former fortunes in the party, his personal claims even have a right to be stated and canvassed. But never, for one moment, should threats of bolting and "busting" things be indulged in by the friends of any candidate, much less by the candidate himself. We are all too apt to over estimate our worth and claims; let all be modest in bold earnestness, and entirely willing to abide by the decision of a candid majority. Fifty-six men are more likely to be right than one or a dozen. A steady determination to be kind and conciliatory while honest and earnest, is a rare requisite for a delegate in any body of men. We have enough such Union men in this county, let them be sent to the convention and let them be impressed now with their duty to make the sacrifice and self-denial of going there when the time comes. No business man has so high and sacred a work to do as that of taking his full share in public affairs. And no true man should permit himself, upon any plea, to evade this first of duties. No man should be ashamed to be called a politician, but rather should glory in it, and should delight to be a power for good in such a field of most extensive usefulness. It will not do to say "the war is over and the country is in no danger now, and others may manage political matters who delight in them; I have no taste for such things." The war is not over; life is ever a battle; the country is always in danger of being badly ruled, and every good man must always give his heart, and head, and hand to the work, or bad men will, and the good will suffer and be made to pay dearly for their neglect.

TEMPLE'S EXCURSION.—By invitation from the Good Templars of Hawkins Lodge made one of the party of excursionists from this place to the "Junction," on the line of the Central Pacific Railroad, on Wednesday last. The several lodges of the Order from Gold Run, Colfax and Auburn were well represented, besides numbers who are not connected with it being present. About 11 o'clock the train arrived at the Junction where the Templars from Sacramento had already arrived and were easily dispersed under the many beautiful shade trees near the track. On the arrival of the up-train the splendid band from the city discoursed most beautiful music, the enlivening strains of which could be heard far and near. After all had had an opportunity of resting and enjoying the beauties of the place the ceremonies of installation were commenced and completed to the gratification and enlightenment of the assemblage, after which a dance was commenced and enjoyed by all who felt disposed, and at about five o'clock, A. M., all those from the mountains started to their homes where they arrived safely, well satisfied with the enjoyments of the day. The trip was in every respect a success, and was a marked contrast to most excursions where the participants allow themselves to lose their reason by becoming oblivious not only to common sense but gentlemanly behaviour. The officers and employees of the Railroad are entitled to the thanks of all who participated in the pleasures of the trip for their uniform courtesy and attention.

THE CHILDREN'S EXCURSION.—The children of the Union and Methodist Sunday Schools of Dutch Flat, to the number of 120, were promptly on hand at the Depot at half-past eight on the morning of May 2d. They with their teachers, some ten or twelve, were to have a free ride on the cars of the Central Pacific Railroad to Sacramento. Several of the teachers and larger scholars, provided themselves with Excursion tickets, 99 of which were sold at \$3.00 each; most, however, were taken by parents and others. About 230, all told, took their places in the cars, and after a delightful ride reached the City of the plains at one o'clock. After a free and easy walk to the Pavilion, and a bountiful lunch, and a delightful quarter of an hour at the Congregational Church, listening to the music of the organ played by Prof. Yanke, they made their way to the cars again, and at a quarter before 3 o'clock started home. Except a little lack of water for a short time, everything passed off in the best style. Not the slightest accident marred the pleasure of the trip, and at a quarter before 9 in the evening, all arrived safely and tired enough, at home again. Great credit is due to the officers and employees of the Railroad, to Mr. Davis and Mr. Staples, Superintendents of the Sunday Schools, and all who helped to make a happy day for the little ones.

GENERAL.—The Nevada Gazette is a terrible way about bolters getting back into the party under the test established by the State and County Committees, and talks about "cracked voices" and all that. Please to remember, dear Gazette, that some of your most exalted chiefs, who did not bolt two years ago, have been very tender footed, and exceedingly afraid of being too fast in denouncing Andrew Johnson since that time. And it took them a long while to get fierce in the fight for Congress against A. J. The wisdom, and honesty, and boldness are not in your particular wing of the party. O! Dear, mind that, now.

LETTER FROM COLFAX.

Colfax, May 3d, 1867.

Mr. Editor:—The political excitement is still on the increase. Froth being lukewarm and destitute of candidates we are likely to take rank with any of our neighbors. Several of our citizens have entered the ring and are making things look different to what they did. Jacob Neff is out for Sheriff and is operating with a degree of industry creditable to himself. He believes that he will carry this place, but as to that, it is by no means certain. Mr. Asa Plank is a candidate for Collector and is running things to suit his aspirations. His chances appear to clash with Neff's; in fact, any show that he may have, depends entirely upon his carrying this place against any man from here and for Poole for Sheriff. If he is able to do this his chances for the Collectorship would be as fair as anybody's. Without it he is, in common parlance, No where. On the other hand, if Neff succeeds fully here and at other points that he claims, he will be a formidable candidate. In addition to these two gentlemen B. S. Starr is a candidate for the Legislature. What show he may have I do not know. Being a hotel keeper, and consequently everybody's man, he may slide naturally and easily into the position and soon have the pleasure of reading his name in the papers prefixed by an Hon. I can only say "Go in, Starr, and win if you can. If you don't blow your own horn nobody will blow it for you." These last announcements have had a tendency to draw our attention more at home and therefore there has been less talk about the aspirations and chances of others. My feelings, however, have not undergone any change. I favor the joining of forces from here and Dutch Flat and the acting together of these two places in county, township and district affairs. By this means both localities will have a set of Township officers and will wield a greater influence in the County Convention. Your neighbor, Gold Run, that you have reared, nourished and protected until she has grown into considerable importance seem disposed to pull against your interest. I cannot see why this should be so; can you not manage with her and let us all go down united upon Mr. Richmond for Treasurer.

The Stars and Stripes correspondent attacks our friend P. H. Sibley in a dirty, unbecoming style. It is true that he is an independent candidate for County Judge, but when that correspondent says that he is not a good and true Union man, he speaks what he knows is untrue, if he knows anything at all. His record as a Union man is too well known to effect an injury in this county, and the space allotted to that character of matter could be better used. Mr. S. is greatly displeased and it is thought that the thing may result in something that the flippant correspondent did not dream of. There is one thing that the correspondent may put in his pipe and smoke, and that is, that the Gold Run alliance that he has assisted in arranging, is, and will be, totally smashed, and he and his friends if they don't look sharp will find that the offices of Justice and Constable will not fall where their programme has placed them.

In the way of local matters things have also been unusually brisk. We have had several importations from the Bay that have added life and spirit to the boys. One individual was around with an article that, according to his representation, was capable of doing wonders and he professes to do more than even our Saviour assumed when on earth. One of his common, everyday performances was curing the most dangerous case of fever at a distance of ten miles in ten minutes time. Our Saviour was generally present with the patient when he effected his cures, at least I believe none are recorded of the character claimed by this new light in the profession. In addition to this we have had a razor grinder and an organ grinder, the latter was liberally patronized, but the former did not fare so well. It was known too that there were many candidates around who had "razors to grind," but it is claimed that they preferred the patented article, and would wait until the next Convention for that purpose. I fear, poor fellows, that many of their instruments will be very dull before that time, and some, doubtless, will be without any edge at all.

In business lines things have been livelier than usual the past week. Grass Valley street is looking up and all classes of business here seems to be in a prosperous condition. I am told by Mr. Mendenhall that he has had a greater run at his hotel than usual. He keeps decidedly the best house in town and deserves a liberal patronage. Other business places on this street seems to be prospering and from the large throng of teams constantly coming in and going out, there is an evidence of trade assuming a better shape.

The Rising Sun Company will soon commence operations on a large scale, and it is said that the old Live Oak has changed hands and that extensive works will be erected by the new company this season. This is as it should be. It is known that the Live Oak is one of the best claims in the county and the bad management heretofore has been a matter of regret to all. A thousand tons of rock from this mine has been crushed heretofore and has yielded all the way from fifteen to forty-five dollars to the ton. With this character of rock it is evident that the fact is not with the mine. About this claim and its history I will speak more in the future.

Placer mining has about ceased. Walker & Co. are yet making about one ounce a day, but their water is rapidly falling. Several of this Company propose to be candidates before the Democratic Convention, or at least have been preparing to do; but some of their friends say that it is doubtful now whether they will be able to make the campaign or not, as their claim has failed in realizing their expectations. Poor fellows, it is well for them, for it would be money thrown away in attempting to defeat the great Union party of this county.

DRUGS AND MEDICINE.—The Idaho Standard says that L. J. Jones for Congress in this District. Nobody needs a word to say.

TELEGRAPHIC DISPATCHES.

SPECIAL TO THE SEMI-WEEKLY ENQUIRER.

SAN FRANCISCO, May 3.

The Union County Convention met last night and adjourned without transacting any business, out of respect to the memory of Dr. Hathaway. The Philadelphia Slide Gold Mining Company filed certificate of incorporation yesterday with a capital of \$300,000. Its object is mining in El Dorado county. Three ships cleared yesterday for European ports carrying an aggregate of 53,174 sacks of wheat. A letter in the Call says that a conflagration in the town of Eureka, Humboldt county, April 28th, destroyed fifty thousand dollars of property and rendered many homeless and destitute.

CARSON, May 2d.

The State Prison took fire last night about 8:30 P. M., and was almost completely destroyed. Prisoners all secure. The loss will be about \$10,000 to the State.

The steamer Pacific arrived last night. Gen. Halleck and staff with a detachment of cavalry left for Fort Yuma April 20. General Banney went on an extended tour of observation through Sonora. Greenbacks 74 1/2 to 74 3/4. Sarah M. Sterling, the American glassless was married yesterday to Thomas Plutoff, a youth of San Rafael. She is seven feet high and is 4 feet 11 inches. The Montana sailed from Portland May 3d. Montana, which left San Francisco Saturday, arrived here to-day experiencing heavy head winds all the way up.

NEW ORLEANS, May 2d.

Advices from Tampico are to the effect that Gomez pronounced again in favor of the Imperialists. News reached Monterey on the 24th, to the following effect: "Dias occupied half of the City of Mexico, his headquarters, is in the convent of San Domingo. Two-thirds of the main plaza is still defended by the Imperialists. General Labat at the head of a body of Imperialists made an attempt to cut his way out of Querretaro. The Imperialists of Querretaro were literally in a starving condition. Were anxious to end the struggle at Querretaro and were working energetically to do it."

New York, May 2.—The Panama War says the President of that State, in view of expected invasions by the forces of Degoda, is taking steps to meet any emergency that may occur for the protection of the State.

New York, May 2.—The California land case of the United States vs. Placitas was submitted to the Supreme Court to-day.

Mr. Taft has been recommended as the Swedish Consul at San Francisco.

WASHINGTON, May 2.—The colored citizens of the first ward have decided not to nominate a candidate of their own race.

The House Judicial Committee met this morning to gather evidence to impeach the President. All the members present, except Wilson, of Iowa, Boutwell and Wordbridge. Adjourned till to-morrow without transacting any business.

St. Louis, May 2.—The Democratic Jefferson City dispatches says Governor Fletcher and a large number of leading men of the Northwest States are corresponding with a view to secure the nomination of Secretary Stanton for President.

St. Louis, May 2.—The Parliament is further postponed till the 26th of May.

LONDON, May 2.—The day for the meeting of the Peace Conference is again changed, and it is now announced that diplomatic preliminaries are far advanced. The Conference will hold its first session on the 7th inst.

The Fenian prisoners and Doran convicts were convicted of high treason and sentenced to be hanged on the 24th of May.

A telegram from Berlin, on the 19th, describes the general rush to effect sales without assigning a reason. There is a rumor that the King of Prussia was at the Paris Exposition.

A Paris correspondent says that preparations are making to have the French army ready for any emergency, and it is better prepared for a sudden call than many suppose.

The King and Queen of Portugal leave Lisbon for Paris on the 24th.

A telegram from Paris to the Daily Telegraph says there is no truth in the rumor that France is about to declare war.

We neglected to mention in our last that we had been presented with a Keg of "Buck Beer," manufactured in this place by Messrs. Swabb and King, of the Placer Brewery. Those who have tried this beer pronounce it a No. 1 article, and after getting one taste are sure to come for another. It is said to be particularly beneficial to parties who are not blessed with "small responsibilities," being indulgent for a short time in this article being a sovereign remedy. If this be true, we would recommend that the Placer Hair Mattress Company and the manufacturers of the "Buck Beer" consolidate.

MINSTRELS.—Hammer, the agent of the San Francisco Minstrels was in town yesterday. He tells us that he has a first rate show, composed of the best musical talent in the State. Everybody in town knows that Hammer is a good judge of music and "buck beer," and those who patronize minstrel's can rely upon being well entertained and receive the full worth of their money. The performance will take place on Thursday evening at the theater.

TO-DAY'S ADVERTISEMENTS.

NOTICE.

THE UNDERSIGNED TAKES THIS method of expressing his gratitude to the Phoenix Insurance Company of Hartford, Conn., also to the Aetna Insurance Company, of the same place, for their promptness in paying to him the amount for which the property was insured at the time of its destruction. My house and furniture was destroyed by fire on the 2nd instant, their Agent, Mr. Herbert Bird, was upon the ground on the 28th, viewed the ruins, and on the 29th paid me the amount due, viz: Forty five hundred dollars (\$4,500). And expressing my sincere thanks, and feeling that such promptness should not be entirely unnoticed, I subscribe myself,

S. T.-1860.-X.

"JES, SO!" "EXACTLY!"—Solon Shingles said: they were there "every time." If he felt "wiley" in the morning, he took Plantation Bitters; if he felt weary at night he took Plantation Bitters; if he lacked appetite, weak, languid, or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and trim. A few bottles of PLANTATION BITTERS will cure Nervous Headache.

Will cure Nervous Headache, Cold Extremities and Feverish Lips, Sour Stomach and Fetid Breath, Flatulency and Indigestion, Nervous Affections, Excessive Fatigue and Short Breath, Pain over the Eyes, Mental Despondency, Prostration, Great Weakness, Salivary Glands, Weak Bowels, &c., which are evidences of

Liver Complaint and Dyspepsia. After a long research, we are able to present the most pleasant, the most remarkable cure for those horrid nightmare diseases the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge.

It is a most effective tonic and agreeable stimulant, suited to all conditions of life. The report that it relies upon mineral substances for its active properties are wholly false. The original quality and high standing of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitations try to come as near our name and style as they can, and because a poor article cannot be sold as well as a good one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For sprained horses, the poll evil, ringbone andweeney, the Mexican Mustang Liniment never fails. For wind galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

In lifting the kettle from the fire, it tipped and scalded me terribly. * * * The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.

CHAS. POSTER, 420 Broad St., Phil.
Mr. S. Litch, of Hyde Park, Vt., writes: "My horse was considered worthless (sprain) but since the use of the Mustang Liniment I have sold him for \$150. Your Liniment is doing wonders up here."

REDINGTON & CO.'S

ESSENCE OF JAMAICA GINGER.

THIS valuable preparation, containing in a highly concentrated form all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary effects that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by the riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

MEDICAL.
FRENCH MEDICAL OFFICE.
Dr. JULIEN PEREAULT, Doctor of Medicine of the
Faculty of Paris, Graduate of the University Queen's
College, and Physician of the St. John Baptist
Society of San Francisco.

Dr. PEREAULT has pleasure in informing patients,
and others seeking confidential medical advice, that
he can be consulted daily at his office, Armory Hall
Building, North-East corner Montgomery and Sacra-
mento streets, San Francisco, Rooms No. 9, 10,
11, first floor, up stairs entrance either Montgomery
or Sacramento streets.

Dr. PEREAULT's studies have been almost exclu-
sively devoted to the cure of the various forms of
Nervous and Physical Debility, the results of inju-
rious habits acquired in youth, which usually termi-
nate in impotence and sterility, and permanently
injure all the concomitants of old age. Where a
secret infirmity exists involving the happiness of a
life and that of others, reason and morality dictate
the necessity of its removal, for it is a fact that pre-
mature decline of the vigor of manhood, matrimonial
unhappiness, compulsory single life, etc., have
their sources in causes, the germ of which is planted
in early life, and the bitter fruit tasted long after-
ward, patients laboring under this complaint, will
complain of one or more of the following symptoms:
Nocturnal Emissions, Pains in the Back and Head,
Weakness of Memory and Sight, Discharge from the
Urethra on going to stool or making water, the Intel-
lectual Faculties are Weakened, Loss of Memory
causes, Ideas are clouded and there is a disinclina-
tion to attend to business, or even to reading, writ-
ing or the society of friends, etc. The patient will
probably complain of Dizziness, Vertigo, and that
Sight and Hearing are Weakened and sleep disturbed
by dreams, melancholy, sighing, palpitations,
flatulency, coughs and slow fever; while some have
external rheumatic pain, and numbness of the body.
Some of the most common symptoms are pimples in
the face and aching in different parts of the body.
Patients suffering from venereal diseases in any
stage, Gonorrhea, Gleet, Stricture, Bubos, Ulcers,
Cancerous Eruptions, etc., will be treated suc-
cessfully. All Syphilitic and Mercurial Taints entirely
removed from the system.

Dr. PEREAULT's diploma is in his office, where
patients can see for themselves that they are under
the care of a regularly educated practitioner. The
best references given if required.

Patients suffering under chronic diseases, can call
and examine for themselves. We invite investiga-
tion, claim not to know everything, nor to cure ev-
erything, but we do claim that in all cases taken un-
der treatment, we fulfill our promises. We particu-
larly request those who have tried this boasted doc-
tor, and that advertised physician, till worn out and
discouraged, to call upon us.

Low charges and quick cures.
Ladies suffering from any complaint incidental to
their sex, etc. consult the doctor, with the assurance
of relief.

Female Monthly Pills.
Dr. PEREAULT is the only agent in California for
Dr. ROY'S Female Monthly Pills. Their immense
sale has established their reputation as a female re-
medy, and they are, and far in advance of every
other remedy for suppression, and irregularities,
and other obstructions in females. On the receipt
of five dollars, these Pills will be sent by mail or
express to any part of the world, secure from curi-
osity or damage.

Persons at a distance can be cured at home, by
addressing a letter to Dr. PEREAULT, corner of Sa-
cramento and Montgomery streets, Rooms, 10 and
11, or Box 473, P. O., San Francisco, stating the case
as minutely as possible, general habits of living,
constitution, etc., etc.

All communications confidential. je 23-17

MEDICAL.
DR. CHAS. H. TOZER'S
PRIVATE MEDICAL INSTITUTE,
N. E. Corner of Kearny and Jackson Streets,
SAN FRANCISCO.

The Great Eradicator of Special Complaints, form-
erly of Locke Hospital, London, Eight Years in
Sacramento, and the last Four Years in San Fran-
cisco.

DR. TOZER'S
Experience is of forty years' standing, and during
that time he has met with unparalleled success in
the treatment of all those diseases generally known
as Venereal or Chronic.

It is impossible here to mention all the diseases
with which he is familiar; some, perhaps, will not
be out of place. The most formidable, the most de-
structive to mankind is Self-Abuse. The brain be-
ing the seat of the disease, the whole system suffers
in consequence. I will here mention some of the
symptoms, so that those afflicted may be able to form
an opinion in regard to their complaints and seek
advice in time, thereby saving themselves a world of
suffering: Nervous Debility, Loss of Memory, Pain
in the Limbs and Back, Palpitation of the Heart,
Trembling of the Limbs, Headache and an aversion
to general society, especially that of females. There
are a great many more, but these are sufficient, and
should you be suffering from any of them, call on Dr.
TOZER, and he will cure you in a short time, with-
out any interruption to your business—or state your
case by letter, and there will be no occasion for your
calling at the office.

Stricture of the Urethra.
Is another formidable enemy to health. Send for one
of my circulars on that disease, and inform yourself
of its terrible results. The worst cases cured in a
few days.

Venereal Diseases.
In all their various forms, either Primary, Second-
ary or Hereditary, completely eradicated from the
system. Your constitution being restored to perfect
health, there will be no danger of handing down to
your children that terrible disease known as Scrofula.

Syphilitic Disease.
As it presents itself on this coast, is of a more for-
midable character than that seen in the Atlantic
States or Europe, arising from the fact of the being
a compound of Spanish, Chinese and Sandwich Is-
land disease. Those of you who have visited the two
countries do not doubt have seen the dreadful effects of
it on the native and foreign population. It requires
altogether different modes of treatment.

The Old Formulas
Of Ricord, Acton and Bostwick, are of little account,
except to dry up the disease on the surface, leaving
the poison in the blood, which, sooner or later, will
show itself as a secondary disease in an aggravated
form. These facts I have learned by experience, and
think I can say without boasting that I have
seen more practice in these diseases than any other
physician in San Francisco, dating as it does, from
1848. It becomes you, therefore, to think well before
you employ a physician. Who is the proper one to
consult? An old experienced one, or one who has
recently settled among you?

My plan is purely vegetable, destroying the dis-
ease and purifying the blood so that there is no dan-
ger of secondary symptoms.

Rheumatism, Neuralgia,
And diseases arising from the use of Mercury, such
as pains in the skin bones, swelling of the differ-
ent joints of the body, running sores, etc., and im-
purities of the blood, cured in a short time by the
use of my VEGETABLE MIXTURES, known only to
myself.

Seminal Weakness.
Should you be afflicted with any of the following
symptoms, such as weakness of the Back and Limbs,
Pain in the Head, Dimness of Vision, Nervousness
and General Debility, Loss of Memory, Confusion
of Ideas, and Depression of Spirits, Evil Forebod-
ing, Self-distrust, and an aversion to society, consult
DR. TOZER at once, and he will restore you to per-
fect health.

To Females.
When you are afflicted with Weakness of the Back
and Limbs, Head, Loss of Muscular Power, Palpi-
tation of the Heart, Irritability, Nervousness, Ex-
treme Urinary Difficulties, Derangement of the
Monthly Sickness, Sterility, and other diseases pec-
uliar to females, consult DR. TOZER. Confusion
of Ideas, and Depression of Spirits, Evil Forebod-
ing, Self-distrust, and an aversion to society, consult
DR. TOZER at once, and he will restore you to per-
fect health.

My plan is purely vegetable, destroying the dis-
ease and purifying the blood so that there is no dan-
ger of secondary symptoms.

**A Grateful Acknowledgment to Skill-
ful Gentlemen.**
SAN FRANCISCO, June 1, 1896.
Dr. Chas. H. Tozer—Dear Sir: You will excuse me
for not writing to you sooner. You will please
remember me to the individual who called on you for
assistance about a year ago. The roof of my mouth
had completely rotted out, and my palate dropped
and there remained, stopping up the passage so that
I could hardly eat. You recommended me to cut it out
at once, which relieved me immediately. I was en-
abled to swallow my food, and in a short time be-
gan to improve. I took your medicine, and followed
your directions for several months. You finally suc-
ceeded in stopping the disease, saving my nose
and upper lip, though you frequently cautioned me
about losing it. I continued to improve until you
finally recommended me to go into the country, and
before going, by your advice, I had a cast taken of
my mouth, in order that I could have a plate made
for me to enable me to speak so as to be understood,
and am now using it. My eternal thanks are due
to you for the perseverance and skill that you dis-
played in my case; and I have to thank you for my
restored health, and even my life, as I was very
near bleeding to death several times from the nose.
I am now in Sacramento City, enjoying good health,
and I shall recommend all my friends to call on you
should they be so unfortunate as to require assis-
tance; and I would advise all persons to avoid cer-
tain scientific doctors in your city, for they will
send them to a land from whence no traveler re-
turns.

With my best wishes for the success of both of
you, I remain, yours, etc.

MEDICAL.
PRIVATE MEDICAL AID.
QUICK CURES AND MODERATE CHARGES.
DR. W. K. DOHERTY'S
Private Medical and Surgical Institute
Sacramento Street, below Montgomery, opposite the
Pacific Mail Steamship Company's Office. Private
entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and
scientific medical aid in the treatment and cure of
all Private and Chronic Diseases, cases of Se-
cretory and Sexual Disorders.

TO THE AFFLICTED.
Dr. W. K. DOHERTY returns his sincere thanks to
the numerous patients for their patronage, and
would take this opportunity to remind them that
he continues to consult at his Institute for the cure
of chronic diseases of the Lungs, Liver, Kidneys,
Digestive and Genito-Urinary Organs, and all pri-
vate diseases, viz: Syphilis in all its forms and
stages, Seminal Weakness, and all the horrid con-
sequences of self-abuse, Gonorrhea, Gleet, Stric-
tures, Nocturnal and Diurnal Emissions, Sexual
Disability, Diseases of the Back and Loins, In-
flammation of the Bladder and Kidneys, etc., etc., and
he hopes that his long experience and successful
practice will continue to afford a share of pub-
lic patronage. By the practice of many years in Eu-
rope and the United States, he is enabled to apply
the most efficient and successful remedies against
all the above diseases, and he uses no mercury, cheap
moderate, treats his patients in a correct and hon-
orable way, and has references from men of known
respectability and high standing in society. All
patients consulting him by letter or otherwise, will
receive the best and gentlest treatment, and im-
plicit success.

Dr. DOHERTY would call attention to the follow-
ing certificates from two of his patients, who, hav-
ing fully recovered their health, desire to make
known their remedial agent. It will be seen their
statements are fully authenticated by a Notary Public.

The welfare of society imperiously demands their
publicity and they are given more to warn the un-
happy than to praise the praise of a Physician, of whom
hundreds of like cases can be cited during a prac-
tice of more than fifteen years.

Dr. DOHERTY—Dear Sir: I feel my health so fully
restored, that in common gratitude, I believe I
should make you some written acknowledgment for
your valuable services—particularly as your fee
was small for the work performed.

I arrived in this city from the East about one year
ago, and was then suffering from an old case of
Gleet, complicated with Stricture. Being a stran-
ger in this city, and believing those Doctors who
gave such positive assurances of success were need-
lessly the best, (some of whom have a large number
of titles,) I placed myself in their charge and con-
tended under their treatment until I had lost nearly
all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor
I have employed, and the only one that has ever
done me any service. My Gleet is wholly cured, the
Stricture is all removed, and my general health is
better than it has been for years.

In conclusion, I would say to the many unfortun-
ates who require medical advice, if you have any
doubt as to whom you may employ, ask Dr. Doherty
for my address and call and see me. (I keep store
of my address.) My experience may save you many
dollars.

I would also add that in the early stage of my
disease I used a large amount of the preparations
of the various Doctors, and spent several hundred
dollars, but I found no relief. I then consulted
Dr. Doherty, and he cured me in a few days. I
am, Doctor, very truly yours,
L. H. —

**Seminal Weakness—A Sworn-to Certificate of a
most Remarkable Cure of Spermatorrhea.**
A desire to benefit humanity, and a feeling of
gratitude to Dr. W. K. Doherty, alone induces me
to make this statement. For many years I have
been afflicted with that fearful disease known as
"Spermatorrhea," or Seminal Weakness, the result
of self-abuse, but till 1853 experienced but little
relief or improvement. In that year however, I
consulted Dr. Doherty, and he cured me in a few
days. I am, Doctor, very truly yours,

To Females.
When a female is in trouble, or afflicted with
diseases as weakness of the back and limbs, pain in
the head, dimness of vision, loss of muscular power,
palpitation of the heart, irritability, nervousness,
extreme urinary difficulties, derangement of diges-
tive functions, general debility, vaginitis, all dis-
eases peculiar to females, hysteria, sterility, and all
diseases peculiar to females, they should go or write
once to the celebrated female doctor, W. K. Doherty,
at his Medical Institute, and consult him about
their troubles and disease. The Doctor is offering
more cures than any other physician in the State
of California. Let no false delicacy prevent you,
but apply immediately and save yourself from
painful sufferings and premature death. All Mar-
ried Ladies whose delicate health or other circum-
stances prevent an increase in their families should
write or call at Dr. W. K. Doherty's Medical In-
stitute, and they will receive every possible relief
and help. The Doctor's offices are so arranged
that he can be consulted without fear of observation.

To Correspondents.
Patients residing in any part of the State, how-
ever distant, who may desire the opinion and ad-
vice of Dr. Doherty on their respective cases, and
who think proper to submit a written statement of
such, in preference to holding a personal inter-
view, are respectfully assured that their communi-
cations will be held most sacred. Dr. Doherty
is only open and replied to by himself, and the
latter as promptly as possible.

If the case be fully and candidly described, per-
sonal communication will be superseded, as in-
structions for diet, regimen, and the general treat-
ment of the case (including the remedies), will be
forwarded without delay, and in such a manner as
to convey no purpose of the letter or parcel so trans-
mitted. Consultation at the office, FREE.
Permanent cure guaranteed or no pay. Address,
W. K. DOHERTY, M. D.,
San Francisco, California.

THIS CELEBRATED INSTITUTE
has enjoyed on this coast an uninterrupted success
of fourteen years, and has become one of the re-
nowned Hospitals of the age. What the celebrated
Lock Hospital is to London, and the no less renow-
ed establishment of Ricord is to Paris, this Institute
has become to the Pacific coast. The thousands
annually received and cured place it in point of
number of patients among the very first of the world
and the success of its treatment ranks it second to
none.

**PRIVATE DISEASES IN MALES AND IRREGU-
LARITIES IN FEMALES** are the great destroyers
of health. They insidiously attack the system and
gradually undermine and destroy it; they drive the
bloom from the cheek, the lustre from the eye, the
strength from the frame; they give to the world paly
and diseased offspring, and poison, through suc-
cessive generations, the race of man. The marks can
be seen in Scrofula, Consumption, Cripples, the
Idiot, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human
race than those diseases arising from the contami-
nation of Venereal Poison. The mildest forms, by
retreating to the blood, hold over the afflicted one,
the destruction that is liable at any moment to fall
and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical
enemy to man, combining with the Venereal, dou-
bles its dangers. Those who have been treated with
that pernicious mineral poison are not cured; the
disease has only assumed a new form.

Do not be satisfied with partial cures
that leave the poison to crawl through the system,
eating its way into the tissues and organs beneath
the apparently smooth surface, to burst out in the
future with a virulence that will baffie the effects of
medicine. WHEN PERFECT CURES can be obtained
by consulting a physician whose long practice
and thorough investigation into the causes of DIS-
EASES OF THE URINARY ORGANS enables them to
diagnose at once the nature of the disease.

In all cases entrusted to the Doctor's care, PER-
FECT, SPEEDY AND PERMANENT.

Cures are Always Guaranteed.
In syphilis and its adjuncts: Gonorrhea and its
accompanying diseases; and all diseases of the Blad-
der, Kidneys, and prostate; Stricture, Gonorrhea,
Diseases of the Heart and Lungs; Dyspepsia, In-
digestion, Impotency; Incipient consumption, and
all diseases of the urinary organs, in either sex, cure
always warranted. NO FEE REQUIRED, at the

Seminal Weakness or Spermatorrhea
The young man who experiences that growing
weakness in his muscular and mental organization
should stop to consider whence it arises. He will
find in the weakness of the back, trembling of the
limbs, disordered digestion unaccountable falling
the powers of the mind, distaste for society, dread
of impending trouble, forebodings of evil, sleepless-
ness, troubled and incoherent dreams, accounts
by growing deafness, loss of muscular power, and
numerous other symptoms of disorganization, the
positive traces of that most terrible and destructive
of all diseases Seminal Weakness—wasting away
his powers, destroying his hope of life and man-
hood, and dragging him along the broken path of
his existence towards a premature and painful
grave. To him who finds his life dripping out in
discharge of the vital principle of existence in noc-
turnal and diurnal emissions, the more cessation
of its appearance brings no assurance of relief, at
once, a physician whom long practice and careful
research has made thoroughly conversant with every
phase of the disease. Those who have become the
victims of solitary vices, that dreadful, fascinat-
ing and destructive habit, which fills thousands of
sick-rooms with paralytics and consumptives, and
hundreds of mutilated graves with its misdeeds, vic-
tims, should consult, without a moment's delay, one
who will sympathize with their sufferings. To such
the Doctor will especially address himself, giving
to each and all assurance of a PERFECT and PER-
MANENT CURE, without hindrance to business,
change of diet, or fear of exposure.

Do not forget the address. See below.

Important to Females.
When a female is in trouble or afflicted with dis-
ease and requires medical or surgical assistance, the
enquiry should be, Where is there a physician who
is fully competent to administer relief, and whose
respectable standing in society recommends him to
the confidence of the community? The Doctor un-
derstanding how imperatively necessary these re-
quirements are, feels called upon to interpret, and
beg the attention of the afflicted to the fact that
he has been a Professor of Obstetrics and Female Dis-
eases for twenty years, and is fully qualified to ad-
minister in all cases, both medically and surgically,
not in a superficial manner, but in as thorough a
manner as years of study and practice—both in hos-
pitals and private families—can make, to save them
from the hands of the unqualified, unscrupulous and
designing. Therefore families can rely upon him
as upon a father. All in affliction can find in
him one who will feel and sympathize with, and be-
friend them in trouble—one in whose secrecy the
utmost confidence can be placed. Consultation by
letter or otherwise, FREE. See address below.
